CURRICULUM VITAE

FORENSIC ACCOUNTING EXPERT WITNESS

PROFILE

Jeremy Salvador is a testifying expert witness and principal at Miod and Company, LLP. He has been specializing in forensic accounting for litigation since 2009. Mr. Salvador regularly prepares damage computations, reasonable compensation analyses, business valuations, income available for support reports, arrearage calculations, tracings, community property balance sheets, apportionment analyses, and tax strategies. He has qualified and testified as an accounting expert witness.

Mr. Salvador has experience in complex disputes including matters related to partnership disputes, economic damages, forensic accounting, business valuation, and business fraud investigations across a wide range of industries. His lexicon of skills includes:

- Accounting Services
- Business Management
- External Controllership
- Fraud Investigations
- Litigation Support
- Damage Computations
- Lost Profits Analysis
- Cost Segregation Analysis
- Income Tax Consulting
- Tax Controversy
- Internal Control Analysis
- Expert Testimony
- Business Valuation
- Asset Tracing
- Income Analysis
- Reasonable Compensation Analysis
- Family Law Forensic Accounting
- Support Computations
- Apportionment Analysis
- Post Separation Accounting
- Moore Marsden Analysis
- Reimbursement Analysis
- Marital Standard of Living Analysis
- Stock Option Apportionment

TECHNOLOGY AND WEB PROJECTS

CAFL.com
An AI-powered California family law platform that streamlines legal research, case management, document automation, and client intake through intelligent workflows.

CaliforniaCivilCodeBook.com
A comprehensive three-volume California Civil Code reference covering statutes governing property rights, contracts, obligations, and personal rights.

CaliforniaCodeOfCivilProcedure.com
A comprehensive two-volume California Code of Civil Procedure reference covering statutes governing civil actions, pleadings, motions, trials, and judgments.

CaliforniaEvidenceCode.com
A comprehensive California Evidence Code reference covering statutes governing relevance, judicial notice, witnesses, privileges, and hearsay for legal professionals.

CaliforniaFamilyCodeBook.com
A comprehensive California Family Code reference covering statutes governing divorce, custody, property division, and support for legal professionals.

CarveFramework.com
A structured property division methodology for identifying, characterizing, analyzing, and allocating assets in complex California family law cases.

ChildSupportCustodyImpactTables.com
A 30-volume reference series showing how custodial timeshare affects California guideline child support across income brackets and numbers of children.

ChildSupportGuideline.com
A comprehensive reference series detailing California child support guideline calculations across income levels, family sizes, and children's age groups.

Dissolytics.com
A due diligence and investigative research platform that aggregates public records and business intelligence into customized reports for legal professionals.

Epstein.com
An AI-powered research platform that organizes and analyzes Epstein-related documents, enabling users to search records, explore connections, and uncover relevant information.

IncomeAvailableForSupport.com
A forensic accounting methodology for analyzing, reconstructing, and documenting income available for child and spousal support in California family law matters.

ItActuallyCosts.com
An interactive financial education tool that illustrates the opportunity cost of everyday spending through adjustable investment assumptions and age-based projections.

JeremySalvador.com
A professional portfolio showcasing forensic accounting expertise, expert witness services, proprietary methodologies, publications, and litigation support.

TECHNOLOGY AND WEB PROJECTS (CONTINUED)

MooreMarsden.com
A real estate apportionment calculator that analyzes community and separate property interests, mortgage contributions, and property appreciation for family law professionals.

MooreMarsden.Expert
A three-volume litigation reference documenting how California courts have apportioned real property between separate and community interests from 1926 to 2025.

MusicalExodus.com
An original musical production combining storytelling, music, and stage direction to bring the biblical Exodus narrative to life.

OstlerSmith.com
A specialized family law methodology for calculating support based on variable income, bonuses, commissions, and other fluctuating earnings.

ParrotPublications.com
An independent publishing platform focused on producing literature, educational materials, special editions, and original works.

TracingCases.com
A legal research series examining California family law tracing principles through historical case law, appellate decisions, and property characterization.

Perez, Ricardo vs Ortiz, Veronica	24CHFL00658	Los Angeles	Petitioner's Settlement Conference
Lovick, Coryne vs Zemanek, John D.	25STFL07073	Los Angeles	RFO/TSC
Frushon vs Frushon	24AVFL00602	Los Angeles	MSC

In addition to the cases listed, Jeremy J. Salvador has been retained as an expert in hundreds more matters where testimony was not required. He is recognized for clear, persuasive, and credible testimony when called upon, yet his analyses so often clarify financial issues that most disputes resolve efficiently and equitably without trial.
